Media (Photography/Video) Release Form

Pierpont Christian Preschool would like to be able to provide the children and their families with tangible memories of these preschool years in photos or videos, through yearbooks, keepsakes, or DVDs. With your permission, this form will enable the staff to photograph and/or videotape your child in their preschool setting. The photographs and videos will be made available for your viewing and/or duplication at any time, provided you are made aware of the authorization and cost of duplication. Photographs and/or videos are to become property of Pierpont Christian Preschool and will be kept in the preschool's archival records.

Any social media posts will only be made with the parents' prior notification BEFORE posting, and posts are NOT to include the child's full name for any reason.
